Hyaluronic acid.....1% w/v

Read this Product Information before you start using this sunscreen and each time you purchase it. This information does not replace talking with your dermatologist or skincare expert about your skin care routine.

What is 1% Hyaluronic Sunscreen?

This 1% Hyaluronic Sunscreen is a broad-spectrum sunscreen designed to protect your skin from harmful UVA and UVB rays while keeping it hydrated. Its lightweight aqua gel formula is ideal for daily use.

Who can use this sunscreen?

This sunscreen is suitable for:

All skin types including oily, dry, and combination skin.

All age groups, including children aged 6 months and older, under parental supervision

Do not use this sunscreen if you:

Are allergic to any of its ingredients.

Experience irritation or redness after application; discontinue use and consult a dermatologist.

Benefits of 1% Hyaluronic Sunscreen

- Provides SPF 50 protection to shield against UVB rays, preventing sunburn and skin damage.
- PA++++ rating ensures high protection against UVA rays, preventing premature aging and pigmentation.
- Enriched with 1% hyaluronic acid for long-lasting hydration and a smooth, plump skin appearance.
- Lightweight, non-greasy formula ideal for everyday wear.
- Water-resistant and sweat-proof, suitable for outdoor activities.

How to use 1% Hyaluronic Sunscreen?

- Apply generously: Use a sufficient amount to cover all exposed skin, including your face, neck, and hands, at least 15 minutes before sun exposure.
- Reapply: Reapply every 2 hours or immediately after swimming, sweating, or towel drying.
- Use as the last step in your skincare routine and before makeup application.
- What are the possible side effects of This Gel?

What are the possible side effects of this sunscreen?

Common side effects include:

- Mild redness or itching for sensitive skin users.

Rare side effects:

- Severe irritation or allergic reaction. If you experience swelling, rash, or discomfort, discontinue use and consult a dermatologist.
- These are not all the possible side effects of this Gel. Talk to your healthcare provider or pharmacist for more information.

How should I store this sunscreen?

- Store at room temperature, between 15°C to 30°C (59°F to 86°F).
- Keep the tube tightly closed when not in use.
- Keep out of direct sunlight and out of reach of children.

General information about this sunscreen

- Use this sunscreen daily to reduce the risk of skin cancer and early skin aging caused by the sun.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
- This sunscreen is not a substitute for other sun-protective measures such as clothing and shade.
