Soothing Skin Lotion & Moisturizer - Calamine with Aloe-Vera Lotion

Read this Product Information before you start using this lotion and each time you purchase it.
This information does not replace talking with your healthcare provider about your skin care needs.

What is Calamine with Aloe-Vera Lotion?

- This Calamine with Aloe-Vera Lotion is a soothing and moisturizing skincare product designed to calm irritated skin and relieve itching and discomfort.
- The combination of Calamine and Aloe Vera, along with Linolenic Acid, Shea Butter, Ceramide, and Wheat Germ Oil, provides relief from skin irritation while nourishing and hydrating the skin.

Who can use this Lotion?

- This lotion is suitable for:
- All skin types, including sensitive skin.
- All age groups, including babies, children, and adults.

Special precautions:

- For babies and young children, use under adult supervision to avoid accidental ingestion.
- Discontinue use if irritation or allergic reactions occur and consult a healthcare provider.

Benefits of Calamine with Aloe-Vera Lotion

- Calamine helps soothe itching and irritation from insect bites, rashes, and mild skin conditions.
- Aloe Vera provides cooling relief and hydration to dry, irritated skin.
- Linolenic Acid and Shea Butter deeply nourish and moisturize the skin.
- Ceramide helps restore the skin's natural barrier and retains moisture.
- Wheat Germ Oil provides antioxidants to protect the skin from environmental damage.
- Free from harsh chemicals, ideal for daily use to maintain healthy skin.

How to use Calamine with Aloe-Vera Lotion?

- Apply generously to the affected area and gently massage into the skin until absorbed.
- Use as needed for soothing irritated or dry skin.
- Reapply as often as necessary to maintain skin hydration and protection.

What are the possible side effects of this lotion?

Common side effects include:

- Mild redness or skin irritation for sensitive individuals.

Rare side effects:

- Allergic reactions such as rash, swelling, or itching. If any severe reactions occur, stop use and consult a healthcare provider immediately.

How should I store this lotion?

- Store at room temperature, between 15°C to 30°C (59°F to 86°F).
- Keep the bottle tightly closed when not in use.
- Keep out of direct sunlight and out of reach of children.

General information about this lotion

- Use this lotion as directed for its intended purpose.
- For external use only. Avoid contact with eyes. If the product gets into the eyes, rinse thoroughly with water.
- If symptoms persist or worsen, consult a healthcare provider.
