Daily Facial Wash - Foaming Face Wash

Key Ingredients:

Glycerin

Aloe Vera Extract

Read this Product Information before you start using this product and each time you purchase it. This information does not replace talking with your healthcare provider about your skin care needs.

What is Foaming Face Wash?

- Foaming Face Wash is a gentle and effective facial cleanser designed to remove dirt, excess oil, and impurities from the skin.
- It foams upon application, providing a refreshing and thorough clean without stripping the skin's natural moisture.
- The formula is enriched with soothing ingredients that leave your skin feeling soft, smooth, and hydrated.

Who can use this Foaming Face Wash?

This Face Wash is suitable for:

- All skin types, including normal, oily, dry, and sensitive skin.
- All age groups, including children, adults, and the elderly.

Special precautions:

- For children under 3 years of age, use under adult supervision to avoid accidental ingestion.
- Discontinue use if irritation, redness, or allergic reactions occur, and consult a healthcare provider if necessary.

Benefits of this Foaming Face Wash

- Gently cleanses and removes impurities, excess oil, and dirt.
- Helps maintain the skin's natural moisture balance without drying it out.
- Suitable for daily use without irritating or stripping the skin.
- Leaves the skin feeling fresh, clean, and hydrated.
- Can be used to prepare the skin before applying other skin care treatments.

How to use Foaming Face Wash?

- Wet your face with lukewarm water.
- Pump a small amount of face wash onto your palm and gently massage it into your wet skin in circular motions.
- Rinse thoroughly with water, ensuring all product is washed away.
- Pat your face dry with a clean towel.
- Use daily, morning and evening, for best results.

What are the possible side effects of this Face Wash?

Common side effects include:

- Mild redness or skin irritation for sensitive individuals.

Rare side effects:

- Allergic reactions such as rash, swelling, or itching. If any severe reactions occur, stop use and consult a healthcare provider immediately.

How should I store this Face Wash?

- Store at room temperature, between 15°C to 30°C (59°F to 86°F).
- Keep the bottle tightly closed when not in use.
- Keep out of direct sunlight and out of reach of children.

General information about this Face wash

- Use this face wash as directed for its intended purpose.
- For external use only. Avoid contact with eyes. If the product gets into the eyes, rinse thoroughly with water.
- If symptoms persist or worsen, consult a healthcare provider.
