

## Patient & Product Information

### Glycolic Acid Face Wash - Anti-Aging Skin Care

#### Key Ingredients:

Glycolic Acid

Read this Product Information before you start using this product and each time you purchase it. This information does not replace talking with your healthcare provider about your skin care needs.

#### What is Glycolic Acid Face Wash?

- Glycolic Acid Face Wash is a gentle yet effective facial cleanser formulated with Glycolic Acid to exfoliate and refresh the skin.
- This face wash helps to remove dead skin cells, unclog pores, and promote a brighter complexion.
- The gentle exfoliating action helps reveal smoother, more radiant skin while reducing the appearance of fine lines and blemishes.

#### Product Category:

- Exfoliating Face Wash
- Facial Cleanser
- Skin Renewal Face Wash

#### Who can use this Glycolic Acid Face Wash?

- All skin types including oily, dry, combination, and normal skin.
- Adults and teenagers (12 years and older).
- Sensitive skin: For sensitive skin types, perform a patch test before regular use to ensure skin compatibility.

#### Special precautions:

- For children under 12 years of age, use under adult supervision and consult a healthcare provider before use.
- Not suitable for broken, irritated, or sunburned skin.
- Start with occasional use and gradually increase frequency to avoid over-exfoliation, especially for sensitive skin.

#### Benefits of this Glycolic Acid Face Wash

- Exfoliates dead skin cells to reveal smoother, more even skin texture.
- Helps reduce the appearance of fine lines, wrinkles, and dark spots.
- Deeply cleanses pores, preventing breakouts and blackheads.
- Promotes a brighter and more radiant complexion.
- Suitable for daily use in your skin care routine.

#### How to use Glycolic Acid Face Wash?

- Wet your face with lukewarm water.
- Dispense a small amount of Glycolic Acid Face Wash onto your palms.
- Gently massage the product onto your damp face in circular motions, avoiding the eyes.
- Rinse thoroughly with water and pat your face dry with a clean towel.
- For best results, follow with a moisturizer or sunscreen.
- Use 1-2 times a day (morning and/or evening), or as directed by a skincare professional.

#### What are the possible side effects of this Face Wash?

##### Common side effects include:

- Mild irritation or tingling sensation when first using the product.
- Dryness or peeling in the initial stages of use (due to exfoliation).

**Rare side effects:**

- Severe redness, burning sensation, or itching. If these persist, stop use immediately and consult a healthcare provider.

**How should I store this Face Wash?**

- Store at room temperature, between 15°C to 30°C (59°F to 86°F).
- Keep the bottle tightly closed when not in use.
- Keep out of direct sunlight and out of reach of children.

**General information about this Face Wash**

- Use this product only as directed for cleansing your face.
- Avoid contact with eyes. If the product gets into the eyes, rinse thoroughly with water.
- If irritation occurs or persists, discontinue use and consult a healthcare provider.
