Read this product information before you start using this product and each time you purchase it. This information does not replace talking with your healthcare provider about your skin care needs.

### What is Intensive Moisturizer?

- Intensive Moisturizer is a rich and deeply hydrating cream designed to provide long-lasting moisture to dry and dehydrated skin.
- Formulated with nourishing ingredients, this moisturizer helps restore the skin's natural moisture barrier, leaving the skin soft, smooth, and visibly healthier.
- Ideal for individuals with dry, flaky, or rough skin, this moisturizer provides immediate relief from dryness and discomfort.

### Product Category:

- Moisturizer
- Hydrating Cream
- Intensive Skin Care
- Dry Skin Treatment
- Face and Body Cream

### Who can use Intensive Moisturizer?

#### This product is suitable for:

- All skin types, including dry, sensitive, and normal skin.
- Adults, teenagers, and children (2 years and older).
- Sensitive skin: Formulated for sensitive skin, providing hydration without irritation.

#### Benefits of Intensive Moisturizer

- Deep hydration: Provides long-lasting moisture to dry and dehydrated skin.
- Helps restore the skin's moisture barrier, making it smoother and softer.
- Calms and soothes irritated skin, preventing flakiness and redness.
- Suitable for both face and body use.
- Non-greasy formula that absorbs quickly into the skin, leaving it soft and hydrated.
- Fragrance-free or lightly scented to prevent irritation, especially for sensitive skin.

**How to use Intensive Moisturizer?**

- Cleanse your skin with a gentle cleanser and pat it dry.
- Apply a generous amount of Intensive Moisturizer to the face, hands, or body.
- Massage gently in circular motions until fully absorbed.
- For best results, use twice daily (morning and evening) or as needed.
- Can be applied to problem areas of dryness or rough patches.

**What are the possible side effects of this moisturizer?****Common side effects include**

- Mild irritation or redness (especially for first-time users of moisturizing products).
- Slight greasiness or heaviness in some individuals.

**Rare but serious side effects include:**

- Severe irritation or allergic reactions such as swelling, hives, or rash. If these occur, discontinue use and consult a healthcare provider.

**How should I store this Intensive Moisturizer?**

- Store at room temperature, between 15°C to 30°C (59°F to 86°F).
- Keep the container tightly closed when not in use.
- Keep out of direct sunlight and away from heat sources.
- Keep out of reach of children.

**General information about the safe use of this product**

- Use as directed to ensure the best results and avoid skin irritation.
- Do not share this product with others, even if they have the same skin condition.
- If irritation occurs, discontinue use and seek medical advice.
