

Patient & Product Information

Soft Sunscreen Gel (SPF 70, PA+++)

Key Ingredients:

Argan Oil

Read this product information carefully before using this Soft Sunscreen Gel.

This information is not a substitute for consulting with your dermatologist or healthcare provider.

What is Soft Sunscreen Gel (SPF 70, PA+++)?

- Soft Sunscreen Gel with SPF 70 and PA+++ provides broad-spectrum protection against harmful UVA and UVB rays, helping prevent sunburn, skin damage, and premature aging caused by sun exposure.
- Its lightweight, non-greasy gel formula makes it ideal for daily use and suitable for all skin types.

Product Category:

- Sun Protection Gel
- High SPF Sunscreen for All Skin Types
- Broad-Spectrum UV Protection
- Dermatological Sunscreen Gel
- Daily Skin Care Sunscreen

Who can use Soft Sunscreen Gel (SPF 70, PA+++)?

This product is suitable for:

- All age groups: Teens, adults, and elderly individuals.
- All skin types, including oily, dry, sensitive, and combination skin.
- People engaging in outdoor activities, such as sports, hiking, and swimming.
- Daily use as part of a skin protection routine to prevent UV-induced damage.

Not suitable for:

- Individuals allergic to any of the ingredients in the product.

Benefits of Soft Sunscreen Gel (SPF 70, PA+++):

- Provides very high protection (SPF 70) against UVB rays that cause sunburn.
- Offers PA+++ protection against UVA rays responsible for skin aging and pigmentation.
- Lightweight, gel-based formula that is non-sticky and easily absorbed.
- Helps prevent premature skin aging, fine lines, and wrinkles caused by sun exposure.
- Reduces the risk of skin damage and sun-induced dark spots.
- Water-resistant and sweat-resistant for long-lasting protection.
- Free from harmful chemicals, making it safe for daily use.

How to use Soft Sunscreen Gel (SPF 70, PA+++):

- Cleanse your skin before application.
- Apply a generous amount of the sunscreen gel to all exposed areas, such as the face, neck, arms, and hands.
- Spread evenly and allow the gel to absorb completely into the skin.
- Apply at least 15-20 minutes before sun exposure.

- Reapply every 2-3 hours, especially after swimming, sweating, or towel drying, for optimal protection.

Precautions:

- For external use only.
- Avoid contact with eyes and mucous membranes. If contact occurs, rinse thoroughly with water.
- Discontinue use if skin irritation or rash develops and consult a dermatologist.
- Keep out of reach of children.
- Do not apply on broken or irritated skin.

What are the possible side effects of Soft Sunscreen Gel (SPF 70, PA+++)?

Common side effects:

- Mild redness or irritation (rare).
- Temporary stinging sensation during application (in sensitive individuals).

Rare side effects:

- Allergic reactions such as rash, swelling, or itching.
- If side effects persist or worsen, discontinue use and consult a healthcare professional.

How should I store Soft Sunscreen Gel (SPF 70, PA+++)?

- Store in a cool, dry place, away from direct sunlight and heat.
- Keep the cap tightly closed after use.
- Store at room temperature, between 15°C to 25°C (59°F to 77°F).

General Information:

- Use Soft Sunscreen Gel daily for optimal skin protection.
- Suitable for all seasons, especially during intense sun exposure.
- Can be worn under makeup without affecting its efficacy.
